

AUDIO / VISUAL REQUIREMENTS FOR BETSY NICOLETTI

Wireless Lavalier Microphone

Betsy likes to move around and keep her audience engaged, a Lavalier Microphone with fresh batteries is preferred! A handheld microphone as a back-up if possible.

Platform Riser

If audiences will be 50 or more, please provide a riser that is 12” or higher if possible so that all audience members will have view of presenter.

Seating Preference

Theater or classroom style seating works great! If unavailable, U or V shape seating works as well.

Laptop

Speaker will provide her own.

LCD Projector

With cables and power.

Screen

12 foot or larger and placed for clear, unrestricted viewing.

Water

Bottled is fine with glass.

Small Table

For speaker’s laptop and notes.

Sound Check

At least one hour prior to launch.
